The Bankrupt Act.

We have been requested to publish the Bankrupt Law. This is impossible. It makes a respectable volume. In order, however, that our friends may understand it, and may therefore not be liable to be imposed upon by parties, who are indifferent to the interests of others, we have taken some pains to compile from several sources the following general principles of the Act, for the benefit of all who contemplate seeking its benefits. But first of all, we advise our friends not to determine finally what they will do, until they have had the counsel of a respectable and intelligent Attorney, upon whom they can rely.

1. The manifest design of the Bankrupt Law is to relieve *honest*, but *unfortunate*, debtors, whose just liabilities are greater than they can pay.

2. To become a voluntary bankrupt under this Act, the debtor must owe at least $300, which, of course, he is not able to pay in full.

3. Petitioners under the Bankrupt Act are required to render a schedule of all their debts and liabilities, of every kind and description whatever, and a true inventory of all their estate, both real and personal, including all property and effects of which they are possessed, or in which they may have an interest, (though not in possession) in conformity with certain "Forms" prescribed in the "General Orders" of the Supreme Court of the United States. These schedules, verified by the oath of the petitioner before a District Court Judge, Register in Bankruptcy, or U. S. Commissioner, must accompany the petition, and, when filed, is the commencement of proceedings in Bankruptcy. If it should be found out, pending the proceedings at any time before the bankrupt is discharged, that he has, by any shift or subterfuge, made a false or partial schedule, this would be evidence of fraud and would defeat his discharge.

4. When the petition is by a firm or copartnership, a full set of schedules of the respective estates of the members of the firm should also be added.

5. When the petition is filed, the case is immediately referred to a Register, who examines the petition and schedules annexed thereto, and if they are correct in form, makes a certificate to that effect, to be filed with the Clerk, then adjudges the debtor a Bankrupt and issues a warrant to the messenger to summon all the creditors named in the petitioner's schedules to meet at the Register's office, at a certain time and place, to prove their claims and elect one or more Assignees to take charge of the Bankrupt's estate.

6. A creditor can, however, prove his claim at any time previous to the last dividend, which will generally be six months subsequent to the adjudication of Bankruptcy.

7. No creditor has any standing in a Bankrupt Court until he proves his claim.

8. Creditors have no right to compel the Bankrupt to answer questions concerning the disposal of property by him acquired subsequent to filing a petition in Bankruptcy. "In other words, the date of the filing of the petition by or against a debtor, is the date at which, if adjudication of bankruptcy follows, the old order of things passes away and a new leaf is turned over." On this point decisions have been variant. The safe rule appears to be, that the applicant in bankruptcy has a perfect right to claim whatever he has made after his application, by his personal exertions, but any profits he may have made from investment or credit, may be liable to the claim of the receiver up to almost the period of his discharge.

9. The Bankrupt can apply to the Court at any time after the expiration of six months, and within one year from the adjudication, for the discharge in bankruptcy, and in case no assets come into the hands of the assignee, or no debts be proved against his estate, at any time after the expiration of sixty days.

10. As soon as an Assignee is elected or appointed, the Judge or Register will convey to him, by deed of assignment, all the bankrupt's property except what is exempted, viz: "Household and kitchen furniture and other necessaries not exceeding in value ($500) five hundred dollars, also his wearing apparel and that of his wife and children, and such other property not included in the foregoing as is exempt from levy and sale upon execution or other process by the laws of the State in which the bankrupt resides, to an amount not exceeding that allowed by State exemption laws in force in 1864. A safe 'Counsellor' suggests, under this head, that the common impression that persons may become bankrupts and yet be allowed to retain their houses and lands, or other property of considerable value, is a great mistake. Under the Act, no honest Bankrupt in this State can have allotted to him, free from the operation of the Act, exceeding $780 besides the wearing apparel of himself and family. Bankrupts in this State are not entitled to homesteads under this Act.

11. It is the duty of the assignee, within twenty days after the assignment to him is made, to allot to the bankrupt such articles as are exempted, and file an inventory of the same with the value of each article so allotted, and creditors may make objections to the report of the Assignee at any time within twenty days after it is filed.

12. As to costs in bankruptcy proceedings, section 46 of the Bankrupt Act provides that the petitioner, before a warrant issues, shall deposit fifty dollars with the Register, or with the Clerk, to be delivered to the Register as a security for his fees. General order XXIX provides that the fees of the Register, Marshal and Clerk shall be prepaid or secured before they can be compelled to act. It is also provided by General order XXX that where the debtor has no means, and can prove the fact to the satisfaction of the Court, upon application, an order will be made requiring all the costs in the case to be paid out of the fifty dollars deposited with the Register. If, however, there are assets, but not enough to pay the Messenger after deducting the Bankrupt's exempted property, so that nothing comes into the hands of the Assignee, the fees will have to be paid by the Bankrupt; but if the Assignee receives assets, the fees of the Messenger will be paid by him before any dividend is made among creditors.

13. Some suppose that the Register is entitled to $50 fee. The fees of the Register, Messenger, Clerk, and costs of publication of notices in Bankruptcy, are fixed by law, and if they demand higher fees, they are liable, as in other cases of malfeasance in office. In ordinary cases of Bankruptcy, the fees may amount to $100. In some cases more, in some less—the costs depending on the amount of labor and litigation involved in each case.

14. Differences of opinion among Attorneys have existed in this State, as to the limit which the Act makes, as to the time to make application in Bankruptcy. Some have supposed that no debtor will be permitted to apply for Bankruptcy after some early day in March, unless he is able to pay fifty per cent of his debts. We are assured that this is not the case. The law did not go into operation for the purposes for which it was enacted until June 1st, 1867. It gives twelve months from that time, to all honest debtors, whatever may be the extent of their indebtedness which they cannot pay, in which to present their applications. After the 1st of June next, every debtor must be able to pay fifty per cent of his indebtedness in order to a successful application in bankruptcy, unless he first obtain the consent of a majority of his creditors.

THE NEGRO MILITIA.

The Militia Article of the new Constitution is in conflict with the Constitution of the United States.

The new Constitution directs that "The General Assembly shall provide for organizing, arming, equipping and disciplining the militia, and for paying the same when called into actual service."

This is in direct conflict with the Constitution of the United States, which provides that "*Congress* shall provide for organizing, arming and disciplining the militia." The States have only the authority of *training* the militia, according to the discipline prescribed by Congress, and, also, the appointment of the officers.

Why this violation of the Constitution of the United States? Holden, in a late *Standard*, furnishes the reason. If elected, he says, he will have the militia organized and armed to keep down opposition to the Radical party. Besides the enormous expenses of this, what horrible persecutions, thievery, oppression, insults to our people, will result from this force of ARMED NEGROES, to keep down WHITE MEN!

Holden is to import Brownlow's militia system into North Carolina.

◆

REMEMBER that Registration will commence on the 7th. of April, and that the books will be kept open for FIVE DAYS. We need make no appeal to the qualified voters, who have heretofore failed to register. It were an insult to a WHITE MAN'S patriotism, honor and sense of duty, to beg him to do that which it would be criminal and cowardly for him to neglect to do.—Remember, however, that the Seventh *of April* is the FIRST DAY! Let the County Committees assist the aged or infirm in getting to the places of registration.

READ Gen. Canby's order, see what county offices are to be filled and make nominations AT ONCE. Do not delay. Then, have tickets prepared in conformity with the requirements of the order. Observe those requirements in their minutest particulars, so that no difficulty may arise after the election. *The tickets—the tickets!* Have them all right and complete.

Our friends will be duly advised where they can be obtained. We will fill all orders, *gratis*, for Wake, Johnston, Chatham and Alamance.

WE ARE rejoiced to see that our friends in every county are bringing out their strongest and ablest men for the Legislature. There has never before been, in North Carolina, or in any other State, such an array of distinguished names offered for the suffrages of the people, as is presented by the Conservatives in this State.

WHICH IS BETTER, a Government administered by intelligent and virtuous native WHITE MEN, or a Government administered by needy squatters, ignorant Africans and impudent allies of mixed blood?

"The Republicans of North Carolina will administer the government economically."—*Daily Standard, March 27, 1868.*

If the expenses incurred by the late Convention are to be a criterion of the "economical" administration of the government, we say, from the "economical" part thereof, "good Lord deliver us."

As "figures do not lie," we propose to give a few, that the poor tax-payers, (who have to pay taxes, levied by this "Convention," on EVERYTHING, from their Bibles down to tin cups,) may see how the Radicals administer government "economically."

In the first place, they voted themselves $8 per day and 20 cents per mile, when but very few of them were paying over $1,50 per day for board.

2. One of the members (Turner, of Harnett,) charged and *received* 20 cents per mile for 262 miles, when it is a notorious fact, that he only lives about 30 miles from this city, and, in going the route to make up the 262 miles, he would necessarily have to travel 5 miles further to get to the Cape Fear boat, than he would to come to Raleigh direct, and he actually received $104,80, when he should only have received $12.

3. One other member, (Hood, of Cumberland, negro,) received for mileage $104,80, when he should only have received $24,—he only living 60 miles from this city.

4. They each received their $8 per day, for two days, when the Republican nominating Convention was in session in this city, while the Constitutional Convention (so-called) did no work, save the reading of the Journal.

5. They elected a Sergeant-at-arms, at a salary of $6 per day, when there was no such officer ever elected in this State before, and he had nothing to do, but to receive his money and go to the Post Office.

6. They elected *two* Engrossing Clerks, when there was only necessity for one, at the same *per diem*.

7. They allowed an account in favor of W. W. Holden & Son, (Joseph William, the "rebel" Lieut.,) for stationery furnished the Convention, for 22 days, amounting to $569,72, without requiring them to itemize the same; and, in addition to said account, the Holdens charged $8 *per ream for paper*, which the Secretary of State could have furnished at $4. For 19 days, stationery was furnished by the said Secretary, at a cost of not to exceed $200, and he would have furnished the Convention the whole time, if the President had called on him to do so.

8. Col. Dewees, of Illinois, and Cebe Harris, two of their candidates, (one for Congress; the other for Superintendent of Public Works,) furnished the Convention with fuel, for which they charged the enormous sum of $6 per cord, while the Secretary of State could have furnished it at $4.75. (Even the Radical Committee on Contingent Expenses could not swallow this, and knocked off $1 per cord.)

9th. They allow the Secretary of the Convention $6 per day, after its adjournment, to superintend the printing, when it could be done by the Secretary of State, (that being his duty, by law,) for less than one fifth of what it will necessarily cost.

10. They allow C. J. Cowles $6 per day, and 20 cents per mile, to sign, fix and arrange the ordinances, which should have been done before the Convention adjourned, if the engrossing clerks had done their duty.

The documents showing the above facts are on file in the Capitol.

11. They tell us, if the new Constitution is adopted, that the *land owners* will have to pay the enormous taxes they propose to levy. Now, we ask the poor people, who are striving to buy a piece of land, that their families may have a home, how do they expect to pay those high taxes and KEEP THEIR LANDS! You can't do it. Therefore, we say, VOTE DOWN THE CONSTITUTION, and VOTE DOWN THOSE WHO INSIST UPON ITS RATIFICATION; for if this class of men control the affairs of the State, surely the "government will be administered economically"—with a vengeance and over the left!!

THE EFFECT OF "ONE BALLOT."—We had hoped that Gen. Canby would reflect upon the manifest impracticability of having only one box and one ballot for the "legion" of officers to be voted for at the election next month, under the provisions of the Mongrel Constitution, and would have made a different arrangement. See how the thing will work:

In Wake, counting all the Executive, Legislative, Judicial, Congressional and local officers to be voted for, there will be *forty-four* names on each ballot, and, adding the vote *for* or *against* Constitution, there will be forty-five votes on each slip to be counted and compared. Say that 6,000 votes will be polled in the county, [which is probable,] and the Inspectors will have on their hands the nice little job of counting and recording, for Wake only, 270,000 names! It will take them a fortnight to complete the task.

There will be an average of at least 40 names to be voted for in each county of the State. If 150,000 men vote, there will be *six millions* of names to be called out, counted and recorded! It almost takes one's breath away to think of it.

◆

WARREN.—We are gratified to learn that the following most excellent ticket has been nominated by the Conservatives of this county. It will shake even Africanized old Warren to its centre:

For the Senate.—Wm. Eaton, Jr., Esq.
For the House.—Col. W. J. Green, Rev. B. F. Long.

BUNCOMBE.—The following excellent ticket has been nominated for this county, viz:

Senate, (for the District,)—L. S. Gash.
Commons.—J. A. Reagan.
Superior Court Clerk.—F. M. Miller.

ANSON.—Gen. Atlas J. Dargan, of Anson, is hereby announced as one of the Canvassers for the State at large, and Col. R. T. Bennett, of the same County, as one of the County and District Canvassers.

C. R. THOMAS FOR THE JUDGESHIP.

C. R. Thomas is represented as being a very bitter Radical canvasser in the present campaign. He is fully committed to the negro platform—prates about his being a Union man, and takes a fit, if he is called a *scallawag*.

We call attention to the *pro rebel record* of this belligerent chap. Read the following:

Extract from C. R. Thomas' Circular, announcing himself a candidate for a seat in the first regular Confederate Congress, copied from the Standard, Oct. 23, 1861:

FELLOW CITIZENS:—I am a candidate for your suffrage at the election to be held on the first Wednesday of November next to represent you in the first Congress, which is to assemble under the permanent constitution of the Confederate States.

* * * * * * *

By various causes we have been driven to an act of separation from the old government—causes sufficient to JUSTIFY THAT ACT to the conscience of the citizen, and, we trust, to the public opinion of the civilized world. We are united in the new government in purpose, sentiment and feeling, and our union will strengthen the better, and surer, if free from the spirit of party.

Whether in humble or distinguished position, in private or public station, I will, with honest purpose, faithfully and with what ability I can, contribute to the support of all such measures as may be deemed necessary FOR THE PROSECUTION OF THE WAR, in which we are engaged; to the securing and maintaining a free and independent government OF CONFEDERATE STATES, and to the preservation of those great fundamental principles of free representative government, without a consistent recurrence and fixed adherence to which, nothing after all would be gained by the Revolution."

A late number of the Newbern "Journal of Commerce" contains the following, in reference to his *private* position on negro suffrage. Hand C. R. Thomas around:

"At the discussion in Beaufort, Tuesday, Maj. Hughes charged C. Randolph Thomas, radical candidate for a Judgeship, with having stated at Newport, in that county, in the presence of respectable witnesses, that he (Thomas) "would canvass North Carolina against negro suffrage, if his political disabilities were removed." Mr. Bell, in the presence of the crowd, affirmed that Mr. Thomas made use of that language, in his store, and in his presence. We can easily imagine how the radical nominee felt before the negroes present, with whose votes he expected to secure a high position; and we can also imagine how the blacks ought to refuse to vote for one who so short a time ago occupied a position so totally at variance with his advocacy of the claims of the negro for suffrage."

◆

BRIBING THE NEGROES.

Extract from a letter to the Editors, dated
STOKES Co., March 24, '68.

"The "Red Strings" in this county, from what I have been told, will generally vote against the adoption of the proposed Constitution.

A "Loyal Leaguer," who visited Raleigh not long ago, brought back several hundred dollars to be distributed among his colored brethren, and it is said, at our court, last week, he took a large number into a grog shop and treated them, giving each of them 50 cts, and *ordered* them to vote for the Constitution and W. W. Holden. And it is said they had a jubilee that would have made the actors in the closing scenes of the so called C—— ashamed of themselves."

CONSERVATIVE MEETING IN FRANKLIN.

In accordance with previous notice, the citizens of Franklin held a Conservative meeting at the Court House, on the 26th. On motion of Capt. J. J. Davis, Dr. E. A. Crudup was requested to act as chairman, and Chas. M. Cooke and Geo. S. Baker as Secretaries.

The chairman explained the object of the meeting in a few remarks, and, on motion, a committee of one from each Captain's District composed the committee to make nominations of Representatives for the county.

On motion, the names of two gentlemen were added to the committee for the county at large.

During the retirement of the committee of nominations, Mr. Jones Fuller was called for and addressed the meeting in his accustomed sensible and patriotic style.

After which, the committee returned, and, through their chairman, reported the following gentlemen as the nominees of the Conservative party:

For the Senate—Dr. Benj. T. Green.
For the House of Commons—Capt Wm. S. Harris and Dr. Nath'l H. Murphy.

Which nominations were ratified.

On motion, D. S. Hill, Jones Fuller, Chas. H. Thomas, Jno. G. King and Chas. M. Cooke were appointed a central committee.

Capt. Harris and Dr. Murphy, being present, were called for, and accepted the nominations in a manner creditable to themselves and encouraging to the party.

Capt. Davis and others also addressed the meeting in a stirring and encouraging manner.

On motion, it was resolved that a Mass Meeting of the Conservative party be held in Louisburg, on Tuesday, the 7th, day of April [it being Tuesday of April Court] A large attendance is desired and expected.

On motion, the meeting adjourned.

IT is cheering beyond measure to read the papers from glorious North Carolina, and to see how the old State glows and burns with enthusiasm. Daily the people flock together to hear eloquent words of encouragement from earnest speakers; every man has sprung to his post and is working manfully; the canvassers go forth with the zeal and devotion of missionaries; the county committees are perfecting an organization as thorough as energy can obtain, and there can be no doubt that every white man will be brought to the polls to vote against the enemies of his country and his race.

In a few weeks we hope to see Virginia giving back that cheering voice to her gallant neighbor—hope to see our camp fires blazing on every hill top, and our flag floating in every hamlet. It is almost time to begin the campaign, and when the signal is sounded we trust and believe that every Virginian will spring to his post to contribute with words, influence, means, whatever he has, to the salvation of the State from negro rule.

Alabama under much greater difficulties triumphed. Arkansas rolls up a solid majority against the iniquitous scheme for her people's degradation. North Carolina will repeat the story of hope, and Virginia must not fail to do likewise.—*Pet. Index.*

THE GREAT and paramount issue is: SHALL NEGROES or WHITE MEN RULE NORTH CAROLINA? All other issues are secondary and subordinate, and should be kept so.

Correspondence of the Sentinel.

OLD FRANKLIN ALL RIGHT!

FRANKLINTON, N. C., March 27, 1868.

MESSRS. PELL & GALES:—The Conservatives of this county met at Louisburg, on yesterday, and nominated the following ticket: For the Senate, on the part of Franklin, in the Senatorial district of Wake and Franklin, Dr. Benjamin T. Green; For the House of Representatives, (so-called,) Capt. W. S. Harris and Dr. N. H. Murphy. This is a strong ticket and will undoubtedly carry the county. All the gentlemen accept.

Capt. Harris made a telling speech on accepting the nomination. He said that the late so-called, had recommended that his and the chairman's (Dr. Crudup's) "disabilities" should be removed, because they "were getting right." He denied the charge that they were "getting right"—they had always been right. He had not asked them to remove his disabilities, and, when he did, it would be just before Gabriel blowed. He handled his "cousin Jimmy" (James T. Harris) with gloves off, and said that when the question of removing his disabilities was voted on, that Williamson, (negro from this county, voted for it, and "cousin Jimmy" against it, and thus outniggered the nigger.

Our candidates will make a vigorous canvass and you may expect a majority against the Constitution from this county.

J.

DISTRICT CONVENTION.

In pursuance to notice previously given, delegates to nominate a Conservative candidate, to represent the Fifth Congressional District in the Congress of the United States, assembled in the Court House in Greensboro, on Wednesday, the 25th. instant.

Joseph Holderby, Esq., of Rockingham, was unanimously chosen President of the Convention, and W N Mebane, J W Albright and A W Ingold were requested to act as Secretaries.

The following counties of the District were represented as follows:

ROCKINGHAM.—Joseph Holderby, A J Boyd, J Turner Morehead, W N Mebane, Dr Jeff Scales, Capt Pryor Reynolds, P T Young, J McSmith, and W J Holderby.

DAVIDSON.—M H Pinnix.

GUILFORD.—Maj James Sloan, Jesse H Lindsay, J B Gretter, A W Ingold, Dr Jas K Hall, W S Hill, Dr E D King, A P Eckel, P H Duffy and J N Staples.

PERSON.—H T Jordan.

SURRY, RANDOLPH, ALAMANCE and CASWELL counties were each represented by proxy.

On motion of J B Gretter, those present from the various counties composing the District, whose names were not announced as delegates, were requested to act as such.

On motion, the President appointed a committee, consisting of H T Jordan, Esq., Col J T Morehead, Col A J Boyd, M H Pinnix, Esq., and Levi M Scott, Esq., to draft resolutions expressive of the sense of the Convention, and to suggest the name of some suitable man to represent the District in Congress.

During the absence of the committee to draft resolutions, Mr. London, of Chatham, being called upon, addressed the meeting in a very able and patriotic speech, at the conclusion of which the committee reported the following:

The delegates for the Fifth Congressional District, in Convention assembled, discarding old party affiliations and divisions, do *Resolve*:

First. That we heartily endorse the Declaration of Principles and the plan of organization and the nominees put forth by the State Conservative Convention in Raleigh, on the 5th and 6th of February last.

Second. That looking upon the new Constitution as degrading to the white people of the State, and a base attempt by taking advantage of the ignorance of the black race, to force upon both races a servitude, the most pitiless of all kinds of slavery, an attempt to make us all the toiling serfs of the bonded aristocracy of Wall street, we shall earnestly oppose its adoption.

Third. That we offer the name of D. F. Caldwell, as a suitable person to represent this District in Congress.

Forth. That we recommend for delegates to the National Democratic Convention, Hon. Bedford Brown and Hon. J. M. Leach, and for alternates, Hon. A. M. Scales and M. S Robbins, Esq.

The resolutions were unanimously adopted, and the nomination of Mr. Caldwell was received with applause by all assembled.

On motion, the President appointed a committee consisting of M. H. Pinnix, Esq., Maj. Jas. Sloan and Richard Sterling, Esq., to wait upon Mr. Caldwell and inform him of his nomination.

During the absence of the committee, P. F. Duffy, Esq., was called, who responded in an eloquent and high-toned Conservative speech, eliciting continued applause from his hearers. When he concluded, Mr. Caldwell appeared and accepted the nomination, returning thanks for the honor thus conferred upon him, and promising to canvass the District in the Conservative cause, so far as his engagements will permit.

It was then announced that the Convention for this Judicial District had nominated Hon. John Kerr, of Caswell, for the office of Solicitor, which was enthusiastically received.

On motion, the Secretaries were requested to furnish the "Times" and the "Patriot," of Greensboro, the "Sentinel," of Raleigh, the "Chronicle," Milton, and the "Western Sentinel," with the proceedings of this meeting, requesting the publication of the same.

On motion, the thanks of the Convention were tendered the President for the efficient manner in which he discharged the duties of presiding officer.

On motion, adjourned.

J. W. ALBRIGHT, } Secretaries.

We look for a campaign in North Carolina which shall call forth the whole strength of the white population. The people are brave and loyal to their race and section, and the State is full of men of great talent and eloquence, and it possesses many journals of marked spirit and ability. The disfranchisements by the "constitution" framed at Raleigh, are not as sweeping as those contemplated by the rascally and malignant rabble in our capitol but the primary object of the North Carolina Black-Crook seems to have been the immediate pillage of the people by a system of terrible taxation which will enure to the benefit of certain New York brokers, who are said to have bought up the Radical members of the Raleigh Convention at so much per head.—*Rich. Enquirer.*

Correspondence of the Sentinel.

JUDGE CILLEY—CONSERVATIVE MEETING—NIGGER POW WOW.

PITTSBORO, March 27th., 1868.

Editors of the Sentinel:—I have recently become a subscriber to your excellent paper, and desire to contribute, if possible, to the valuable information contained therein.—We had Court week here, last week, and Judge Cilley presided. He came here as a Yankee, and the community was prejudiced against him, but his urbanity and politeness won for him the highest encomiums, except from the transgressors of the law. His charge to the Grand Jury was one of the best, most lucid and comprehensive, I ever listened to, and his charges to the Petit Jury were impartial and showed a fine knowledge of the law, for so young a man.

On Tuesday, the white men had a large meeting to nominate candidates for the county. The utmost harmony prevailed and good sound men were nominated. The court house being too small to accommodate the crowd, the people were requested to assemble in the grove.

One of the largest meetings I have seen in Chatham assembled at the Academy, and the crowd was addressed by the Hon. John Kerr in a speech of upwards of two hours. I have listened to many political speeches, but I have never heard a more eloquent, argumentative and conclusive effort than this one. He entirely demolished the convention and the constitution, and the policy of the Radical party, and his speech so operated on the entire assembly as to chain every man to his position, however uncomfortable it may have been. I know that his effort has had the effect of causing many white men to withdraw from the League.

On Saturday, the "*niggers*" had a meeting, headed by old Silas Burns, Chicken Billy and three other so-called white men. They made their nominations, but the nigger got nothing. All the offices were distributed to the whites, so-called. After the nominations were read out, the meeting was addressed by "Silas," Chicken Billy and two or three "niggers." Among the latter was a little copper-colored fellow, said to be a Yankee "*nigger*." He stood up and said: "They say that my race has no intelligence to manage the affairs of State. I say that I am as intelligent as any white man in North Carolina *dare* to be, and I defy contradiction." *The egotistical brute!* As I looked on him, and then contrasted him, with his low forehead, flat nose, kinky head, and a foot, the hollow of which made a pole in the ground, with the manly form of John Kerr, with his white skin, high and commanding forehead, every lineament perfect, and, among even his *white brethren*, like Saul among the sons of Kish, I could but entertain pity and contempt for this dwarf; pity for his egotism and utter contempt for his impudence. The fellow, it is said, was sent here by Billy Holden, to keep the League all right.

TO THE WHITE MEN OF NORTH CAROLINA.

The publication of *The North Carolinian*, a Daily and Weekly White Man's newspaper, of Raleigh, which was suspended on the 21st instant for reasons then given, will be resumed in this City on Monday, the 6th of April proximo.

The *North Carolinian* will continue to be a free, fearless and outspoken exponent of the principles of the great and time-honored Democratic party. Messrs. Wm. A. Hearne and John W. Dunham, who have, for the last two years presided over its columns, remain in editorial charge, and will have exclusive control of the conduct of the paper, which resumes its career on a solid financial basis.

Efforts have been made to intimidate the conductors of this free and independent press. Malicious and wicked persons have rejoiced at the fancied death of a journal which, in dealing with them and their cowardly and insidious measures, has not counted the consequences; but their day of rejoicing will be short, and woe unto him whose premature jubilation has led him from the path of truth and virtue.

As in the past, so in the future, will the *North Carolinian* be governed by one rule of conduct—that of Right. The Right it will defend and maintain under any and all circumstances whatsoever. It will expose wrong in a manner not to be mistaken and denounce and lash evil doers, regardless of popular opinion. For this its editors may be imprisoned, as they have been; but dungeons, bastiles, bayonets and inquisitions have lost their terrors for White Men of this country, who are resolved to be free.

A direct appeal is made to the White Men of North Carolina in behalf of this enterprise, and we invoke you to remember that "they who would be free must themselves first strike the blow."

Of the mothers, wives and daughters of our noble old State, we would ask countenance and influence in a cause the most sacred known to the heart of woman—that of defending the honor, and perpetuating and preserving the memory of our gallant dead, who so bravely yielded up their lives for a cause they could not save.

The ladies of Raleigh will not forget the displeasure the editors of this paper have incurred for hurling back the denunciations aimed at their knightly hero, the chivalrous young Texan, a worthy type of the Southern Cavalier, who sleeps his last sleep beneath the sacred turf consecrated by their loving hands, and doubly hallowed by the associations of womanly purity.

The White people of North Carolina who have watched our course will not forget that we labor in their cause, and each and every one is solicited to extend to us whatever of aid and encouragement the merits of the paper may deserve.

FOR CONGRESS.

SAMUEL T. WILLIAMS,

OF GRANVILLE.

Mass Meetings.

The State Executive Committee recommend the holding of Conservative Mass Meetings at the following times and places:

Raleigh,	Tuesday,	April	7
Statesville,	"	"	7
Greensboro',	Friday,	"	10
Wilmington,	"	"	10
Goldsboro',	Wednesday,	"	8
Salisbury,	"	"	8

Messrs. DOOLITTLE, HENDRICKS and others of U. S. Senate, and Messrs. BROOKS, ELDRIDGE and others of the House, have been invited to attend these meetings, and they are expected to come. It will be seen that the meetings are crowded, for the reason that these gentlemen can remain in the State but a few days.

☞ We call the attention of the Conservative press and people to the changes made in the above arrangement for the mass meetings. It is suggested to those Conservatives living where the mass meetings are to be held, who make arrangements for the meetings, to be sure to write and secure the attendance of some of our own Speakers, on these occasions, in order that there may be no disappointment. Our friends in Congress may be expected, unless the public interests prevent.

SAML. T. WILLIAMS, ESQ.

The Conservative candidate for Congress in this District will address the people at the following times and places:

Raleigh, Monday, Mar. 30.
Louisburg, Tuesday, Apl. 7.
Earpsboro, (Johnston,) Saturday " 11.

Other appointments, embracing the intervals between the above, and for subsequent times and places, will be duly announced.

HON. THOS. S. ASHE.

We are authorized to make the following appointments for the Hon. Thos. S. Ashe, the Conservative candidate for Governor:

Charlotte Monday, Mar. 30.
Lexington Tuesday, " 31.
Morganton Thursday, Apl. 2.

He will continue the canvass from Morganton, and in making his appointments will be governed by circumstances.

MASS MEETING AT STATESVILLE.

We learn that, for the accommodation of the public, trains will be run from Salisbury and Morganton, on the 7th. of April next, to attend the mass meeting at Statesville.—Hon. T. S. Ashe has been invited to attend, and, we presume, will be there.

GEN. WM. R. COX.—We invite attention to the announcement of this gallant gentleman, declaring himself a candidate for Solicitor in this Judicial District.

All the papers in the District are requested to publish the announcement and forward bills to this office.

SEE NOTICE of dissolution of co-partnership between Briggs, Dodd & Co.

NEW GOODS.—Our friend Creech is opening a fine stock of Spring and Summer Goods. He is selling them low, compared with former prices.

ATROCIOUS OUTRAGE.—We learn that a villainous outrage was committed by a mulatto, named Jno. Henry McCullers, upon the person of a negro girl, aged only some ten or twelve years, in this city, on Friday. He was subsequently arrested in Goldsboro, whither he had fled, and was brought to this City, under military guard, on yesterday.

SERGEANT BATES.—A correspondent of the Concord *Press* gives the following interesting account of Sergeant Bates' reception in Charlotte:

"Sergeant Bates entered this city at 3 o'clock, P. M., and was received with the shouts of applause of a large assembly in the the public square. He was met beyond the limits of the city by the Mayor and council, and escorted to the public square in an open carriage. Since his arrival here, he has concluded to lay over until Saturday morning, when he will resume his journey. He travels in a suit of handsome black silk velvet, presented by the ladies of Augusta, Ga. He also wears a very handsome red silk sash, given him by the ladies of Montgomery, Ala. The flag was made by the ladies of Vicksburg, Miss. It is of handsome silk bunting. I spent half an hour in his room, this afternoon, and found him exceedingly pleasant. He will not be able to stop long in Concord, as he wishes to get to Washington city by the 14th of April. He says he has met with nothing but unbounded hospitality his whole route. Give him a hearty reception, when he arrives in your town."

The Sergeant will probably reach here about Wednesday morning. Shall we not give him a reception?

SEVENTH CONGRESSIONAL DISTRICT.—At a great Mass Meeting, which was held in Asheville, last week, and which was attended by delegates from most of the counties composing the above Congressional District, the Hon. Burgess S. Gaither was nominated as the Conservative candidate for Congress. Col. Gaither is one of our truest and ablest men, and his name will be a tower of strength in the mountains. The meeting was enthusiastic and the spirit animating and cheering. Push on the column!

CANVASSERS.—The following additional Canvassers are announced by the Executive Committee:

UNION.—Jno. D. Stewart, W. H. Simpson, F. L. Wiatt, D. Rushing, C. Q. Lemmond, Dr. T. W. Redwin, Dr. J. L. Bost, E. L. Davis, S. H. Parker.

WHITE MEN'S CLUB.—The Club had a spirited, large and enthusiastic meeting on Saturday night. A committee was appointed to wait on Gen. M. W. Ransom, (then in the city,) and requested him to address the Club. That gentleman shortly after appeared and thanked the meeting, in a few eloquent remarks for the compliment, but was prevented, by indisposition, from addressing the meeting.

The Hon. Thomas Bragg, yielding to the prolonged calls of the meeting, addressed it, for an hour and a half, in one of the most powerful and impressive efforts of the campaign. We have rarely heard a stronger or more eloquent and telling speech, and would be glad if it could be repeated at many points in the State. The audience manifested their deep interest and gratification by as close attention as we have ever seen given to any speech and by frequent demonstrations of applause.

Short, but capital and pointed speeches, by Messrs Quentin Busbee and Bledsoe, closed the meeting. "It was good to be there."

RADICAL MEETING.—The negroes,—brevet and regular,—had a lean time at the Court House on Saturday. We haven't taken the trouble to find out what they did.

MECKLENBURG.—An immense Mass Meeting of the Conservatives of Mecklenburg was held in Charlotte, on Thursday last. The enthusiasm was glorious. Rev. J. W. Hunter presided. Gov. Vance addressed the meeting in his finest style. The following strong and admirable county ticket was nominated:

Senate.—Hon. Jas. W. Osborne.

House of Representatives.—R. D. Whitley, W. W. Grier.

Sheriff.—R. M. White.

Superior Court Clerk.—Col. E. A. Osborne.

PRESS ON!—Many thanks to our excellent friend, D. W. Kerr, of Melville, Alamance, for a club of *thirty* campaign subscribers to the Weekly "Sentinel."

REMEMBER the County Conservative Convention, at the Court House, to-day, at 12, M.

MUCH interesting matter is unavoidably crowded out to day, by the pressure upon our columns,—among other things a capital letter from our intelligent and well posted Washington correspondent. It shall appear to-morrow.

ARCHIBALD NIVEN, Esq., is the Conservative candidate for the Senate in the Senatorial District of Anson and Union.

Carolinians! All be doing!
Save the good old State from ruin!
Keep her honor pure and golden,
Vote for *Ashe* and head off Holden!
Fight! Fight! Fight! Fight!!
Holden's spoiling for the lash
We will give him fits with Ashe!

STATE ITEMS.

—— The Conservatives of Edgecombe have brought out a capital ticket,—one that will deserve success, if it does not achieve it. It is as follows:

For Senate—Hon. George Howard.
For Representatives—Dorsey Battle, Wm. S. Battle.
For Sheriff—Benj. T. Hart.
For Superior Court Clerk—L. D. Pender.
For Commissioners—Hon. H. T. Clark, L. R. Cherry, K. Thigpen, W. T. Lewis, Jas. F. Jenkins.

—— *Capting* O. H. Dockery, the Radical nominee for Congress in the Wilmington District, was an officer in the Confederate army. Of course, he can take the test-oath.

—— Seven Yankees, one or two Buffaloes, and one Ohio nigger, compose the Radical county ticket for Craven.

——The Warrenton *Vindicator* says that Deweese, of Illinois, the black-Radical candidate for Congress in this District, spoke (to the negroes) in that town four mortal hours, hat off, with a strong March breeze blowing against him. If he was *only* named *William*, we should dub him "Windy Billy No. 2." Four hours!—and bad English at that!

—— The Conservatives of Edgecombe are to have a grand mass meeting, at Tarboro, on the 18th of April.

—— A Radical orator in Newbern, haranguing a crowd of negroes, asked them what would be the result, if the Democrats succeeded in electing the next President.—The response came from the black throats, "War," "War," "Bloodshed!"

—— A. H. Van Bokkelin, Esq., formerly Mayor of Wilmington, and a most estimable gentleman, when coming out of his residence, in that city, on Thursday last, was assaulted by a negro ruffian and knocked down with a rock. His wound is a painful one. The scoundrel was arrested by bystanders.

—— A Provost Court, similar, we suppose, to that in Cumberland, has been ordered by Gen. Canby, in Wilmington, for the Counties of New Hanover, Brunswick, Bladen and Columbus. One J. C. Mann is the *Judge!*

Gen. Canby's Election Order.

HEADQUARTERS SECOND MILITARY DIST.,
Charleston, S. C., March 23, 1868.

GENERAL ORDERS }
NO. 45. }

The Constitutional Convention of the State of North Carolina, in conformity with the Act of Congress of March 23, 1867, supplementary to the Act of March 2, 1867, "to provide for the more efficient government of the rebel States," having framed a Constitution and civil government according to the provisions of the aforecited laws; and having by an ordinance adopted on the 17th day of March 1868, provided that the said Constitution shall be submitted "for ratification to the persons registered under the provisions of this Act [March 23, 1867, Section 4] at an election to be conducted by the officers appointed or to be appointed by the Commanding General as hereinbefore provided, and to be held after the expiration of thirty days after the notice thereof to be given by the said Convention;" and having further provided, by the aforesaid ordinance, that at the same time an election shall be held for Senators and Representatives in the General Assembly, and for all State and County officers who are to be elected by the people under this Constitution, and further, that in each Congressional District of the State an election shall be held for a member of the House of Representatives of the United States Congress. It is ordered:

First. That an election be held in the State of North Carolina, commencing on Tuesday, the 21st day of April, and ending on Thursday the 23d day of April, 1868, at which all registered voters of said State may vote "For Constitution" or "Against Constitution," and also on the same ballot for the State and County officers and for members of the United States House of Representatives, as specified in the before cited ordinance.

Second. It shall be the duty of the Boards of Registration in North Carolina, commencing fourteen days prior to the election herein ordered, and giving reasonable public notice of the time and place thereof, to revise for a period of five days, the registration lists; and upon being satisfied that any person not entitled thereto has been registered, to strike the name of such person from the lists, and such persons shall not be entitled to vote. The Boards of Registration shall also, during the same period, add to such lists the names of all persons who at that time possess the qualifications required by said Acts, who have not already been registered.

Third. In deciding who are to be stricken from or added to the registration lists, the Boards will be guided by the law of March 2, 1867 and the laws supplementary thereto, and their attention is specially directed to the supplementary Act of July 19, 1867.

Fourth. Any duly registered voter of this State who may have removed from the County in which he was registered, shall be entitled to vote in the County to which he has removed and has resided for the ten days next preceding this election, upon presentation of a certificate of registration from the County in which he was originally registered, or upon his affidavit or other satisfactory evidence that he was so registered, and that he has not voted at this election. It shall be the duty of the Registrars, upon the application of any duly registered voter who has removed or is about to remove from the precinct in which he was originally registered, to furnish him with a certificate that he was so registered, and to note the fact in the registration books of the precinct. In default of the certificate, the affidavit of the voter must set forth the County and precinct in which he was originally registered, and the length of time he has resided in the County in which he desires to vote. In doubtful cases, the Registrars or Inspectors of election shall require such additional evidence as may be necessary to satisfy them that the applicant is legally entitled to vote. Blank forms for the certificates and for the affidavits herein required, will be furnished the Registrars and the inspectors of election, and when used will be attached to the ballots cast by such voters, and will be transmitted to District Headquarters with the returns required by law.

Fifth. The said election will be held in each County at such places as may hereafter be designated, under the superintendence of the boards of Registration as provided by law, and in accordance with instructions hereafter to be given to said Boards in conformity with the Acts of Congress and as far as may be with the laws of North Carolina.

Sixth. The polls shall be opened at such voting places at six o'clock in the forenoon, and closed at six o'clock in the afternoon of each day, and shall be kept open during these hours without intermission or adjournment.

Seventh. All Judges and Clerks employed in conducting said election shall, before commencing to hold the same, be sworn to the faithful performance of their duties, and shall also take and subscribe the oath of office prescribed by law for officers of the United States.

Eighth. No member of the Board of Registration, who is a candidate for election to any office to be filled at this election, shall serve as a Judge or Inspector of Election in any precinct which he seeks to represent.

Ninth. The Sheriff and other peace officers of each County are required to be present during the whole time that the polls are kept open and until the election is completed; and will be made responsible that there shall be no interference with Judges of Election, or other interruption of good order. If there should be more than one polling place in any County, the Sheriff of the County is empowered and directed to make such assignments of his deputies, and other peace officers to the other polling places as may in his judgment best subserve the purposes of quiet and order; and he is further required to report these arrangements in advance to the Commander of the Military Post in which his County is situated.

Tenth. Violence, or threats of violence, or of discharge from employment, or other oppressive means to prevent any person from registering or exercising his right of voting, is positively prohibited; and any such attempts will be reported by the Registrars or Judges of Elections, to the Post Commander, and will cause the arrest and trial of the offenders by military authority. The exhibition or carrying of deadly weapons in violation of General Orders No. 10 of 1867, at or in the vicinity of any polling places during the election herein ordered will be regarded and treated as an additional offence.

Eleventh. All bar rooms, saloons, and other places for the sale of liquors by retail, will be closed from six o'clock of the evening of the 20th of April, until six o'clock of the morning of the 24th of April, 1868, and during this time the sale of all intoxicating liquors at or near any polling place is prohibited. The police officers of cities and towns, and the Sheriffs and other peace officers of Counties, will be held responsible for the strict enforcement of this prohibition, and will promptly arrest and hold for trial all persons who may transgress it.

Twelfth. Military interference with elections, "unless it shall be necessary to repel the armed enemies of the United States, or to keep the peace at the polls," is prohibited by the Act of Congress approved February 25, 1865, and no soldiers will be allowed to appear at any polling place, unless as citizens of the State they are qualified and are registered as voters, and then only for the purpose of voting; but the Commanders of Posts will keep their troops well in hand on the days of election, and will be prepared to act promptly if the civil authorities are unable to preserve the peace.

Thirteenth. The returns required by law to be made to the Commander of the District of the results of this election, will be rendered by the Boards of Registration of the several Registration precincts through the Commanders of the Military Posts in which their precincts are situated, and in accordance with the detailed instructions hereafter to be given.

A PLAN OF ORGANIZATION.

STATE ORGANIZATION.

A State Committee, to consist of a Chairman and thirty members,—six of whom shall reside in Raleigh, and three in each judicial district—to be appointed by the State Convention.

The Committee shall have power to maintain its organization, by filling vacancies, &c., and shall take charge of all matters relating to organization, registration, &c., and a proper canvass of the State.

DISTRICT ORGANIZATION.

The members of the State Committee in each judicial district shall constitute a district Committee for their respective districts and shall appoint a Chairman, and shall take charge of all matters relating to county organization, &c., in their respective districts; and shall report all matters relating thereto, to the Chairman of the State Committee.

COUNTY ORGANIZATION.

It is recommended that each County, by popular meetings or through the medium of existing organizations, appoint a County Committee, to consist of at least two persons from each Captain's District within its limits.

The County Committee shall take charge of all matters of registration, local organization, &c., within the County, and is requested to make monthly reports to the Chairman of the District Committee, and, when necessary, to inform him of such local matters as may require the attention of the District Committee.

It is further recommended that each County Committee cause to be enrolled the names of all the registered voters of their county, who are willing to act and vote with this organization—no man to be thus enrolled without his express consent; and, also, that they cause to be enrolled on a separate list the names of all those who are entitled to register, but who have not done so, and that they use every exertion to secure their registration and active co-operation.

Resolved, That the President of the Convention appoint five or more persons, in each County, to make a thorough canvass of the same, and disseminate proper political information.

DECLARATION OF PRINCIPLES.

The Conservative people of North Carolina having, by their delegates, assembled in Convention at Raleigh, on the 5th. of February, 1868, to consider the present anomalous condition of the State, and of the country, and to consult together upon the grievances which now afflict and threaten them, and the course of action proper to be adopted in the trying circumstances which surround them, do resolve and declare

1. Our unalterable devotion to the principles of Constitutional liberty and our fealty to the government of the United States, as set forth in the Federal Constitution. That we sincerely and in good faith accept the legitimate and legal results of the late war, and do hereby reiterate our oft repeated declaration, that we most heartily desire peace and concord with our sister States and with the entire people of the United States.

2. *Resolved*, That regarding the Constitution of the United States as the source of all power in the administration of the government, and that the powers of the Executive, Legislative and Judicial departments are equal and co-ordinate, as defined by that instrument, we do respectfully and solemnly protest against the enforcement upon our people of the Reconstruction Acts and policy of Congress, as unconstitutional, unwise and destructive to society, and violative of that great principle of American politics, that each State shall have the exclusive control of its own internal affairs.

3. *Resolved* That it is the opinion of this Convention, that the great and all absorbing issue, now soon to be presented to the people of the State, is negro suffrage and negro equality, if not supremacy, and whether hereafter in North Carolina and the South, the white man is to be placed politically, and, as a consequence, socially, upon a footing of equality with the negro, and, in many localities, subject to his government as a superior. That we are utterly opposed to such change in our government and in our social relations, and that we do hereby earnestly recommend to the people of the State to manfully meet the issue now attempted to be forced upon them, and to use every proper means within their power to avert the impending mischief.

4. *Resolved*, That while we are unalterably opposed to political and social equality with the black race, we yet have no unjust prejudices against that race; that we are determined, by just laws, to protect them fully in all their civil rights, and to confer upon them all privileges which can be done consistently with the safety and welfare of both races.

5. *Resolved*, That the distressed and impoverished condition of our people earnestly demands the speediest and wisest measures of relief that the Legislature can devise.

6. *Resolved*, That this Convention recognizes, with feelings of gratitude, the heroic and patriotic efforts of the President of the United States, to restore the Union and harmony and good will among the American people.

7. *Resolved*, That this Convention regards the Supreme Court of the United States as the legitimate expounder, in the last resort, of the Constitution—and believe that its rights and powers, in that respect, should be preserved intact, as established by law in the earlier and better days of the Republic, and that any serious impairment thereof, by legislation or otherwise, will be destructive to the best interests of the country, and dangerous to the liberties of the people.

8. *Resolved*, That despairing of any restoration of the Southern States under the conduct of that organization which now controls the proceedings of Congress, waiving all former party feeling and prejudice, this Convention does most unhesitatingly recommend and invite the hearty co-operation of all the good people of North Carolina with the Democrats and Conservative men of the North and West, who are now nobly struggling for the maintenance of the Constitution of the United States and the restoration of the Southern States to their rights in the Union on the solid foundation of harmony and peace.

9. *Resolved*, That this Convention elect four delegates and four alternates, for the State at large, to represent the Conservative people of North Carolina in the next Democratic National Convention, and that it recommend to the Conservative people of the several Congressional Districts, to appoint delegates at an early day to represent them in said Convention.

10. *Resolved*, That when an election shall be ordered for the ratification of a new State Constitution, the Executive Committee for the State, which has been appointed by this Convention, be instructed, if the time shall be sufficient, to call a Convention of the Conservative people of the State, to put in nomination candidates for the various State offices whose election shall then be ordered; and if there shall not be sufficient time to call said Convention, to put in nomination sound Conservative men for said offices.

NEW ARRANGEMENT

FOR THE

SENTINEL.

Published in the City of Raleigh, N. C., Daily, Semi Weekly and Weekly.

William E. Pell, }
Seaton Gales, } Editors.

In view of the scarcity of money, and the severity of the times, the Proprietor of the SENTINEL has determined to reduce the terms of the paper, to commence after the 31st. DECEMBER, next, and to make such improvements in its general character as will commend it to the patronage of an enlightened public.

In POLITICS it will be thoroughly Conservative, advocating, at all times:

A strict observance of the Constitution of the United States, and the harmonious Union of equal States;

Obedience to law and the enforcement of order;

The supremacy of the civil over the military, in time of peace;

The equality of the three co ordinate branches of the government;

The sovereignty of the States over their own internal affairs, in strict conformity to the Constitution;

The maintenance of freedom and justice to all, without distinction of color, but the supremacy of the white race as the governing class;

Opposition to Radicalism in all its phases.

As a NEWS journal, it shall be equal to any.—The principal markets will be regularly published.

Its LITERARY character shall be maintained and inproved, by contributions from our best writers.

Finally, the SENTINEL will seek to be the special promoter of the educational, moral and economical interests of the people of North Carolina.

Terms:

Daily Sentinel,	for one year,		$8 00
" "	six months,		4 00
" "	three months,		2 00

" "	three months,		1 00
Weekly "	for one year,		2 00
" "	six months,		1 00

All subscriptions strictly cash in advance.

As an advertising medium, the SENTINEL is equal to any in the State. Terms moderate.

☞ We ask every Conservative in the State to become our Agent to extend the circulation of the SENTINEL. The events of 1868 will be exciting and important. The WEEKLY SENTINEL should be in the hands of the great body of the people—The terms are now so low that every one will be able to pay for it.
